There's nothing indecent about it at all!!
Blush
But, I can't dismiss this...
Sangatsu really doesn't seem like the type to have a lack of women in their lives...
Yum
Maybe he's more interested in money... Not that I have any though...
Rumbling

*Please see note at end of the chapter.

H-How despicable that was of me...
I looked at her body in a weird way.
My last name it's pronounced "Watanuki"

Ururu does this often, it's just a habit.

Relieved~

I never even con-sidered getting one...
SHOCKED
Do you have a... Boyfriend? Wataame-san?
Does this often ...?
I see~☆
Every one of Ururu's boyfriends all love big boobies so,
That's why I always do this!
That's why, I-accidentally did that just now!♡
So you get along well...
I'm bad with these kinds of topics
Yes! We're totally lovey dovey~
He says it's fun because he loves Ururu's big boobies and buns!

And that guys absolutely love it when girls listen and do every-thing they say! Like a doggie!
UGH...
I see... The thing Sangatsu wants is...
Always able to do these dirty acts...
Will come running within a minute when called if in the same building
A good, obedient girl, who will listen to his every command...

Very well, in 3 days from now,
We will be holding a student body meeting regarding the topics suggested today.
Student Council
What do you do in that kind of meeting?
San-Sangatsu-kun's... Acting like a total child...
The student body meeting,
Is a meeting in which all students are gathered and representitives from various clubs report their status. It is a meeting where we discuss possible future improvements suggested by the students.
Forced Smile
You didn't even know a little fact like that, yet you dared to be a candidate for a position on our student council? Sangatsu Owaru-kun?

She's smiling, but she's not smiling...
?
What would that be? Baba.
U-um... I have a suggestion for a topic...
But what should I do.?
Emergency stairs, huh?
Good job noticing, Baba-kun.
I think it may be because the school building is aging but the emergency stairs are in bad shape as of now.
Since it's dangerous, I think it'd be best if they were fixed...
Why don't we put a slide next to that too?
Wa
She praised me!

...Love hotel...?
A slide...?
This isn't a love hotel you know...
Jolt
N-NO I SAID IT'S TOO L-LOVELY!! DON'T YOU THINK!?
SHOCKED
YOU TWO NEED TO THINK ABOUT THE CONTEXT MORE!!
Okay
Whew
That was too close
There's a message from the chairman by the way.

He requested that we reinforce the rules for inappropriate interactions with the opposite sex.
Inappropriate interactions?
D-do you mean they're d-directed at couples?
It seems some students of our students were seen acting inappropriately around the area...
And someone made a report to the school.
Well our uniforms do stand out, don't you think?
We're white from top to bottom.
...
The chairman has punished the reported students by expulsion, suuspension, or any other way-
TMD

I'M ALL IN FOR THAT!!
Layla?
A STU-DENT'S JOB IS TO STU-DY!!
THESE UNHEAL-THY IN-TERACT-IONS WILL ONLY HURT THEM!!

That sure was a close call for you back there, Watanuki -san~
Aha ha
SLUSH!
Didn't you listen to the chairman's request?
Huh?
Wouldn't it be better for you to stop doing things as you please?

Some-one... Suspic-ious...
I can testify that you were with someone suspicious, you know?
Before, When you first black-mailed me, you came into the hotel with a woman you had just met.

♡ShiRo's Notes

(Watanuki-san Niwa Boku ga Tarinai - Chapter 04)

Page 08: 四月 (Shigatsu) litterally means the 4th month, a.k.a. April. Layla's last name, "Watanuki" is written as the 1st day of the 4th month 四月一日. Kisaragi Ururu has probably never talked with Layla before and either only vaguely remembers her name or had just caught a glance of it on her text book. Either way with out 一日 attached to 四月, most people would pronounce it as "Shigatsu" hence why Kisaragi got Layla's name wrong.

Page 09: 綿飴 (Wataame) = Cotton Candy.
